Re: *United States v. Donald J. Trump, et al.*, Case No. 23-CR-80101(s)

Dear Counsel:

We write in response to your discovery letter, dated October 9, 2023, which makes 39 discovery requests, some of which include multiple sub-parts. Many of your requests call for information that has already been produced, and in instances where they call for specific documents that we have already produced, we identify the documents for you by Bates number. Many other requests are follow-up questions regarding documents that we have produced far in excess of our discovery obligations. *See, e.g.*, USA-0000941498-00941509 (documents related to the FBI's review of CCTV footage; defense has equal access to the footage); USA-00940248 (documenting the conversion of the FBI's investigation into what the FBI terms a "full investigation"); USA-0090483-USA-00940484 (documenting a request from FBI to DOJ for assistance); USA-00941747-USA-00941749 (email chain regarding overtime approval for FBI agents); USA-00941912-USA-00941913 (report and notes regarding a conversation with counsel to discuss compliance with a grand jury subpoena that issued the same day). That we have exceeded our discovery obligations by no means obligates the Government to produce additional information that is not discoverable. To the extent that we are producing any additional information to you in response to the discovery requests in your October 9, 2023 letter, we do so notwithstanding the Government's belief that such production exceeds its current discovery obligations.

Regarding the query at the outset of your letter, we disagree with how you define the prosecution team. Your definition is overly broad. The prosecution team consists of the prosecutors of the Special Counsel Office and law enforcement officers of the Federal Bureau of Investigation (FBI) who are working on this case, including members of the FBI's Washington Field Office and Miami Field Division. The prosecution team does not include agencies and components whose personnel are not working on this case. For that reason, as we stated in response to your prior question about the scope of the prosecution team, the National Archives and Records Administration (NARA), the U.S. Secret Service, and the White House are not part of the

prosecution team. (*See* Letter dated September 22, 2023.) Likewise, and in response to the specifics of your query in this letter, the prosecution team does not consist of the components of the Department of Justice you have listed; the components of NARA you have listed; members of the Intelligence Community (IC), as that term is defined in 50 U.S.C. § 3003(4), including the Office of the Director of National Intelligence and the IC's Office of the Inspector General; nor the White House Counsel's Office.

We respond to your requests below using the numbering from your letter.

1. The Government has already produced all responsive material to which the defense is entitled.
2. The Government has already produced all responsive material to which the defense is entitled. For example, the Government produced photographs from the search warrant (*see* USA-00042639-USA-00043193 and Classified Discovery Production 3) and sketches from the search (USA-00042655-USA-00042656). Nonetheless, we are producing with this letter at USA-0128517-USA-01285194 and USA-01285286-USA-01285306 two additional documents relating to the planning of the search warrant and a photo log.
3. The Government provided as Exhibit A to its October 6, 2023 classified letter accompanying Classified Discovery Production 3 a spreadsheet that provides information related to this request.
4. Your request does not appear to call for the production of material to which the defense is entitled. Please explain the defense's theory of discoverability.

9. Your request does not call for material that is discoverable under Rule 16. Nonetheless, we hereby inform you that pursuant to FBI policy, certain documents were classified due to their association with this case and/or file type, although the contents of the documents themselves were not classified. The FBI declassified such documents in anticipation of the Government seeking an indictment in this case to facilitate the production of the documents in discovery.
10. The request calls for material that is not discoverable under Rule 16, such as a “description” of and the “purpose” of documents. The Government has produced all material to which the defense is entitled regarding these documents. Nonetheless, we hereby inform you that documents referenced in 10a. through 10h. relate to inventories of the boxes seized at Mar-a-Lago on August 8, 2022, pursuant to a court-authorized search warrant. On June 21, 2023, the Government informed defense counsel that they could contact the Government to arrange for inspection of unclassified items seized at Mar-a-Lago on August 8, 2022. *See* ECF No. 30. The Government hereby further informs you that the documents referenced in 10.i. through 10.j. are draft documents related to the FBI’s review of CCTV footage.

The December 9, 2022 conversation was not an interview, but a conversation with counsel related to a grand jury subpoena that issued the same day. The Government was not under any obligation to memorialize the conversation because no discoverable information was provided, yet the FBI did so, and even though not discoverable, the Government provided to counsel the memorialization (USA-0041912-USA-0041913). The responses to the multiple sub-parts of your request are provided below.
  - a. The request does not call for material that is discoverable under Rule 16.
  - b. The Government has already produced all responsive material to which the defense is entitled.
  - c. The Government has already produced all responsive material to which the defense is entitled.

36. Your request for “other instances” does not call for material that is discoverable under Rule 16. In any event, the Government has already produced all material to which the defense is entitled relating to this request.
37. Your request does not appear to call for the production of material to which the defense is entitled. Please explain the defense’s theory of discoverability.
38. As we have stated, we are in compliance with our discovery obligations. We are also aware of, and will comply with, our continuing duty to disclose newly discovered additional information required by this Court’s Standing Discovery Order, Rule 16(c) of the Federal Rules of Criminal Procedure, *Brady*, *Giglio*, *Napue*, and the obligation to assure a fair trial.

**Re: United States v. Donald J. Trump, No. 23 Cr. 80101 (AMC)**

Dear Mr. Bratt, Ms. Edelstein, and Mr. Harbach:

We write on behalf of President Trump, pursuant to Rule 16(a)(1)(E), *Brady*, and *Giglio*, to request the documents and information set forth below. In light of the current motions schedule, we respectfully request a response no later than October 16, 2023.

## **I. Background**

Each of the Requests set forth below calls for production of documents irrespective of their classification level. As used herein, the term “documents” includes (i) all communications, including memoranda, reports, letters, notes, emails, text messages, and other electronic communications; (ii) hard copies and electronically stored information, whether written, printed, or typed; and (iii) all drafts and copies.

The Requests call for specified documents in the possession of the prosecution team. For the avoidance of doubt, based on our review of discovery to date, the term “prosecution team” means:

- All personnel of the Special Counsel’s Office, irrespective of an assignment to a particular investigation or matter;
- The following components of the Department of Justice: Office of the Attorney General, Office of the Deputy Attorney General, Office of Legal Counsel, National Security Division, Public Integrity Section, and the United States Attorney’s Office for the District of Columbia;
- The National Archives and Records Administration, including but not limited to NARA’s General Counsel’s Office, Office of the Inspector General, and White House Liaison Division;

October 9, 2023  
Page 2

- Members of the Intelligence Community, as that term is defined in 50 U.S.C. § 3003(4), including ODNI and the IC's Office of the Inspector General;
- In addition to those components of the FBI that are a part of the IC, the FBI's Washington Field Office and Miami Field Division; and
- The White House Counsel's Office.

Please let us know if you disagree about our inclusion of any particular agency or component in the definition of the prosecution team.
